- Since September 1, 2015, to Present (As of August 31, 2023)

Continuing Professional Development (CPD) - Theoretical and Practical Courses:

- March 1989. "5th course on Microsurgical Training on Experimental Biological Models", Savona, Italy
- July 1989. "5th course on Surgical Anatomy and Temporal Bone Dissection", Savona, Italy
- February 1991. Continuing Education Course in Otorhinolaryngology, Roccaraso, Italy
- July 1991. "6th Rhinology Course G.O.F.A.P.", Bologna, Italy
- June 1991. "Cours pratique de chirurgie cervicale", Bordeaux, France
- December 1992. "2nd Practical Course on Dissection and Operative Technique in Surgery of the Neck and Salivary Glands", Brussels, Belgium
- March 1993. "Practical Course on the Treatment of Laryngeal Carcinoma", Venezia, Italy
- March 1996. "XXVII Course on Surgical Anatomy of the Temporal Bone", Venice, Italy
- November 1990. "Workshop Current Diagnostic and Therapeutic Trends in Phonosurgery", Milan, Italy
- October 2000. "Theoretical-Practical Course on the Use of CO2 Laser in ENT", Rome, Italy
- April 2002. "5th Videocourse on Nasal and Facial Surgery", Rome, Italy
- November 2002. "Multidisciplinary Day Surgery - Current Status and Prospects", Paestum, Italy
- May 2003. "Surgical Approach to the Infratemporal Fossa", Rome, Italy
- June 2003. "Seminar on Otorhinolaryngology and Cervicofacial Surgery", Rome, Italy
- June 2003. "Oncological Laryngeal Video Surgery Course", Camogli, Italy
- May 2004. "Chronic Snoring and Recent Developments in Major Salivary Gland Pathology", Turin, Italy
- June-December 2005. "Management of Surgery and Upper Airway Infections", Naples, Italy
- June 2005. "Theoretical-Practical Course on the Diagnosis and Treatment of Chronic Snoring", Casoria, Italy
- September 2005. "Practical Course in Middle Ear Surgery" Avellino, Italy
- November 2005. "3rd Theoretical-Practical Course on Transmission Hypoacusis Surgery", Nocera Inferiore, Italy
- December 2005. "Training Stage in Otorhinolaryngological Disciplines", Pavia, Italy
- June 2006. "All around Polyposis nasi 2nd International Post-graduate Course - What's going on", Capaccio, Italy
- October 2006. "Functional Endoscopic Surgery of the Paranasal Sinuses" Bologna, Italy
- March 2007. "Milano Masterclass Sinonasal & Skull Base Endoscopic Microsurgery", Milan, Italy
- October 2007. "Laryngeal and Neck Surgery", Florence, Italy
- May 2008. "Updating on Complications in ENT", Turin, Italy

National and International Conferences:

- 5th Modern Medicine Day: "Surgical and Non-surgical Treatment of Laryngeal Cancer" (Rome, November 23-24, 1990).
- 78th National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery (Rimini, May 21-25, 1991).
- 2nd Congress of the European Federation of Otorhinolaryngological Societies: "The New Frontiers of Oto-Rhino-Laryngology in Europe" (Sorrento, June 6-10, 1992).
- International Congress: "Rehabilitation in Developmental Age: Towards the Integration of Interventions" (Capri, June 23-25, 1995).
- 31st National Congress of the Italian Society of Phoniatrics and Logopedics (Rome, April 16-19, 1997).
- 88th National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery (Genoa, May 23-26, 2001).
- 89th National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery (Colli del Tronto, AP, May 22-25, 2002).
- 90th National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery (Rome, May 28-31, 2003).
- 1st International Meeting of Vascular Emergency (Castel Volturno, February 28 - March 1, 2003).
- 1st National Congress of AICEF RCF (Italian Association of Aesthetic-Functional Rhinocervicofacial Surgery) (Palermo, March 1-3, 2004).
- 91st National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery (Turin, May 26-29, 2004).
- National Congress: "Paranasal Sinuses and Anterior Skull Base Surgery, What's Going On" organized by O.O.R.R. S. Giovanni di Dio e Ruggi D'Aragona Hospital (Paestum, December 10-12, 2004).
- 93rd National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery (Bologna, May 31 - June 3, 2006).
- National Congress of the Italian Society of Phoniatrics and Logopedics – Italian Society of Pediatric Otorhinolaryngology (Naples, July 6-9, 2006).

- 94th National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery (Lecce, May 23-26, 2007).
- 20th National Congress of the Italian Polyspecialistic Society of Young Surgeons (Naples, November 8-10, 2007).
- 95th National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery (Turin, May 21-24, 2008).

Publications and Scientific activities:

- “*Experimental Study in Rabbits on Microsurgical Repair of the Inferior Alveolar Nerve*” (L. Califano, A. Cortese, A. Mastantuono, G. Capasso, F. Citro, C. Giardino) Extracted from “*Head and Neck Surgery*” Vol. 4, No. 1, 1987.
- “*Autologous Transplantation of the Greater Auricular Nerve to the Inferior Alveolar Nerve: An Experimental Study in Rabbits*” (L. Califano, A. Mastantuono, A. Cortese, S. Manfredini, G. Capasso, U. Avallone, G. Persico) Presented at the 10th Congress of the Italian Society of Microsurgery, Rapallo, January 22-24, 1987.
- “*CO2 Laser in the Treatment of Laryngo-tracheal Stenosis*” (S. Tedesco, G. Ripa, A. Schettino, G. Capasso, G. Motta, and G. Villari) Presented at the 2nd European Congress of Oto-Rhino-Laryngology and Cervico-facial Surgery, Sorrento, June 6-10, 1992.
- “*Proposal of a Diagnostic Questionnaire as a Tool for Investigating Developmental Stuttering*” (D. Di Maggio, A. Diavolotto, G. Capasso, D. Pellicoro) Presented at the International Congress “*Rehabilitation in Developmental Age: Towards the Integration of Interventions*” Capri, June 23-25, 1995.
- “*The Effectiveness of Group Speech Therapy in Individuals with Articulation Disorders Undergoing Adenotonsillectomy Surgery*” (G. Capasso, F. Petrillo, D. Di Maggio, V. De Michele) Presented at the International Congress “*Rehabilitation in Developmental Age: Towards the Integration of Interventions*,” Capri, June 23-25, 1995.
- “*The Accent Method in the Rehabilitation of Fluency Disorders*” (G. Capasso, F. Petrillo, D. Di Maggio, V. De Michele) Presented at the International Congress “*Rehabilitation in Developmental Age: Towards the Integration of Interventions*” Capri, June 23-25, 1995.
- “*Radiofrequency in the Treatment of Turbinate Hypertrophy*” (G. Capasso, M. Angelillo, E. Cantone) Presented at the 90th National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery, Rome, May 28-31, 2003.
- “*Septoplasty in the Day Surgery Setting*” (G. Capasso, E. Cantone) Presented at the 91st National Congress of the Italian Society of Otorhinolaryngology and Head and Neck Surgery, Turin, May 26-29, 2004.
- “*Tonsillectomy: Comparative Techniques*” (G. Capasso, E. Cantone) Presented at the International Congress “*Norman Pediatric Meetings – Neonatology and Pediatrics: State of the Art*” Aversa, November 19-20, 2004.
- “*Adenotonsillar Hypertrophy and Obstructive Sleep Apnea Syndrome*” (G. Capasso, E. Cantone) Presented at the International Congress “*Norman Pediatric Meetings – Neonatology and Pediatrics: State of the Art*,” Aversa, November 19-20, 2004.
- “*Tonsillectomy Assisted by Radiofrequency: Advantages Over Traditional Techniques*” (G. Capasso) Presented at the National Congress of the Italian Society of Phoniatrics and Logopedics - Italian Society of Pediatric Otorhinolaryngology, Naples, July 6-9, 2006.
- Participated as an Instructor in the Continuing Medical Education (E.C.M.) Course: “*Therapy of Upper and Lower Respiratory Tract Infections: Current Status and Perspectives*” organized by ASL CE2, held in Aversa on November 18, 2006.
- Participated as an Instructor in the “*Theoretical-Practical Course on Laser Surgery and New Technologies in ENT*” in the session dedicated to Live Surgical Procedures, organized by G. Rummo Hospital in Benevento and San Carlo Hospital in Nancy, Rome, held in Benevento from November 5-9, 2007.
- Participated as an Instructor in the Course: “*Technology in the Service of Otorhinolaryngology: The Use of CO2 Laser, Radiofrequency, and Endoscopic Techniques in ENT Surgical Practice*” (Mesagne, BR, June 28-29, 2008).

Additional Training:

- Managerial Training Course
 - S.D.A. Bocconi, Milan
 - Diploma obtained in May 2000

Professional Memberships:

- Italian Society of Otorhinolaryngology and Head and Neck Surgery

Languages:

- Italian, French
